

PRODUCT WISE UNIT SOLD

Sum of Units Sold by Product

CD: Stacked Bar Chart

Insights:

1. It clearly shows that the paseo is the product sold 338k units, which is almost double compared to the next product(vtt).
2. And then the products like vtt (169k), velo (162k), amarilla (155k), and montana (154k) all are sold in similar range but their sales are close to each other.
3. Carretera is the lowest product that 147k units sold.
4. We need to increase the sales of products like VTT, Velo, Amarilla, Montana, and Carretera in order to maintain a good balance in overall sales.
